

EDUCATION

ARKA JAIN UNIVERSITY B.Tech In Computer Science And Engineering CGPA: 8.72	Jamshedpur, Jharkhand, India 2023-2027
JAMSHEDPUR WOMEN'S COLLEGE JAMSHEDPUR 11th and 12th Grades JAC Board Science Percentage: 83.2%	Jamshedpur, Jharkhand, India 2020-2022

TECHNICAL SKILLS

- **Programming Languages:** Python, C/C++, Java, SQL
- **Tools & Technologies:** Jupyter Notebook, IBM Cloud, Visual Studio Code, Git & GitHub, Excel, IBM SPSS Modeler
- **Frameworks:** Pandas, Numpy, Matplotlib, Seaborn, Tensor Flow, PyTorch
- **Key Courses Taken:** Software Engineering, Data Structures and Algorithms, Cloud Fundamentals, Data Visualization etc.

PROJECT

Blinkit Sales Dashboard Analysis	Blinkit Dashboard
• Analyzed customer, inventory, and order datasets using SQL • Designed KPI-based dashboard for sales and delivery performance • Extracted actionable insights to improve operational efficiency	
EduFinance – AI-Powered Scholarship & Loan Matcher	EduFinance link
• Developed an AI-based web app that recommends personalized scholarships and education loans to students based on their skills and academic profile. • Integrated an AI chatbot for real-time assistance and multilingual support. • Used Gemini API for education-focused NLP and Streamlit for fast UI prototyping. • Contributed to skill-based matching features and end-to-end app flow as part of a 3-member team.	

WORK EXPERIENCE

DATA ANALYST INTERN PaulTech Software Services	June 2025 - Aug 2025
• Analyzing large datasets using Excel, Python (Pandas, NumPy), and SQL to identify trends and insights. • Creating weekly data dashboards and reports using Excel (Pivot Tables, Charts) • Supporting real-time data tracking projects and contributing to insights for process improvements.	
DATA SCIENCE INTERN AllSwift Solutions	July 2024 - Aug 2024
• Developed a House price prediction model using machine learning techniques. • Implemented feature engineering, model training, and evaluation to enhance prediction accuracy. • Conducted data analysis and visualization to interpret results and improve model performance. • Demonstrated strong technical skills and problem-solving abilities, earning an extension of the internship after passing a performance-based interview.	

LEADERSHIP EXPERIENCE

Coding Club AJU
• Actively participated in coding sessions, problem-solving discussions, and technical workshops. • Collaborated with peers on project ideas. • Contributed to learning initiatives related to Data Analytics.
Social Media Lead – GDGoC AJU
• Managed and planned content strategy for community engagement and event promotions. • Designed and published creative posts to increase reach and visibility. • Coordinated with core team members to execute technical and community-driven campaigns.
CAMPUS AMBASSADOR GirlScript Summer of Code (GSSoC)
• Promoted open-source contribution initiatives within campus. • Assisted students in understanding program structure and participation process. • Acted as a communication bridge between organizing team and participants.

OTHERS

Problem-Solving Achievements: Solved 150+ coding problems on GeeksforGeeks and 250+ coding problems on LeetCode
Soft Skills: Problem Solving, Critical Thinking, Communication, Teamwork, Creativity
Languages: English, Hindi, Bangla
